Waranty

Boco Europe AS is obligated to follow Norwegian law regarding purchases and undertakes no additional obligations if not it is otherwise agreed. There us normally 1 year warranty against manufacturing defaults. During this period the defect parts will be replaced with new ones.

NB! The warranty do not cover normal wear and tear or defaults that have occurred due to incorrect installation or poor maintenance.

Maintenance:

Boco shower cabinets have large surfaces which simplifies the cleaning. Clean the glass on the inside to avoid calcium deposits on the cabinets walls.

Newer use abrasive or caustic cleaners on the shower doors. Clean regularly. Boco Europe AS recommend once a week with normal usage.
